

THINKING ABOUT PLANNED GIVING

What Planned Giving really is:

If you think that Planned Giving is *only* about making a gift in your will, then you just might be overlooking some of the really good stuff — what Planned Giving *really* is:

OPPORTUNITY: It is a unique opportunity for you who care deeply about LCPC, and about what happens beyond your time here. Planned Giving enables you to provide for those who come next, those who will help carry on your legacy at LCPC.

THE GIFT OF YOUR LIFETIME: For most of us, our planned gift is the largest and therefore the most impactful gift that we will ever make.

CONVERTING MERE THINGS INTO MISSION for generations to come:

Through a planned gift, when you no longer have need for your things —be they financial, personal and real assets —you can share them back into LCPC to ensure our mission for countless others.

PERSONAL PEACE: Wouldn't it be a comfort to know that long after your lifetime, your gift will continue to help the needy, support missions, or build up new church leaders? Imagine lifting up not just one deserving person, but dozens—*imagine helping hundreds...*

INSPIRATION: Any of us may lead by example at any given time. Your planned gift inspires others to re-deploy resources they may have available to help your church continue to lift up others —both during their lifetimes and for long after.

We are grateful for those who come before us at LCPC and for all they have made possible. Now, it's our turn. We are entrusted to continue to care for and help grow this ministry, and past it along for the benefit of future generations.

Please consider a planned gift and join the Legacy Circle.
